

# Identity Theft Prevention Policy and Procedure Program for the new FTC Red Flags Rule

The Federal Trade Commission has instituted regulations for all retailers, including healthcare providers, to have an Identity Theft Prevention program which includes an Identity Theft Prevention Plan.

The Identity Theft Prevention Plan incorporates the new Federal HIPAA regulatory requirements which take effect in February 2010.

These new requirements will now require all healthcare providers to have this program in place. The implementation date has been pushed back to June 1, 2010.

**R.J. Hedges & Associates** has developed a new Identity Theft Prevention Program:

- Designed for healthcare providers and pharmacies
- Includes the policies and procedures that you need to implement the requirements of the new FTC rule
- Incorporates the 2010 HIPAA HITECH requirements
- Written in Microsoft Word
- Easy to use

**New Effective Date:**  
**June 1, 2010**
