Did you know...

HIPAA enforcement isn't just a scare tactic anymore. The "HIPAA police" are here and they mean business, potentially your business! Can your pharmacy afford not to be in compliance this year? Not doing so, could mean up to a \$1.5 million fine!

R.J. Hedges & Associates provides a turnkey, easy-to-follow HIPAA Compliance Manual and Program for you and your facility that exceeds new federal HIPAA statutes and Medicare Accreditation (Quality) Standards.

**We write all your policies & procedures including these
4 key documents you need for HIPAA compliance:**

- ✓ Your Notice of Privacy Practices (NOPP)
- ✓ Your Disaster Recovery Plan
- ✓ Your Risk Analysis
- ✓ Your Risk Management Plan
- ✓ *PLUS* we train you and your staff

*"I NOW FEEL CONFIDENT SHOULD ANY INSPECTOR
FROM CMS ENTER MY STORE KNOWING I AM IN
FULL COMPLIANCE." - Bob D.*

 **If you don't have these 4 documents in place right now,
you're at risk of up to a \$1.5 million fine!**

*We're here to help you
stay stress-free and in compliance.*
