

Why Do I Need A Valuation?

There are many reasons why a **Valuation is important**, but here are a few to consider:

- 1 **Strategize for Future Acquisitions**
- 2 **Understand Your Growth Potential**
- 3 **Understand Your Current Business**
- 4 **Protect Your Assets**
- 5 **Trust/Estate Planning**
- 6 **Plan Your Exit Strategy**

Quick Valuation vs. Full Valuation

Quick Valuation

Quick questionnaire and the most recent tax return will generate a ballpark idea of the value of your store. It costs \$250 and takes a few minutes of your time. Results back in a day.

Full Valuation

Detailed inside look at your store, a much longer questionnaire, and several documents that need to be submitted including P&L statements, Tax Returns, Prescription Counts, etc. Costs \$5,000 and takes a few hours of prep on your end. Results back within 2 weeks.
